## Career Objective

Motivated Computer Science and Engineering student at Patuakhali Science and Technology University, currently in the 2nd semester, with a strong interest in frontend development and practical software building. Skilled in Java, C, HTML, CSS, JavaScript, and AutoCAD, with hands-on experience in layout design and frontend project development. Currently working in the learning phase at EquisaasBd as a Frontend Developer and aiming to grow as a strong web developer through real-world projects

## Education

Institution	Degree / Group	Result	Year
Patuakhali Science And Technology University	B.Sc. (Engg.) in Computer Science and Engineering	Running	2025-Present
Govt. Keshab Chandra College, Jhenaidah	Higher Secondary Certificate (Science)	GPA: 5.00	2023
Jhenaidah Government High School	Secondary School Certificate (Science)	GPA: 5.00	2021

## Experience

### Frontend Developer Trainee

February 2026-Present

EquisaasBd Company | Learning Phase | Present

- Learning frontend development through project-based work.
- Practicing HTML, CSS, JavaScript, and responsive UI design.
- Gaining experience in real development workflow and code structuring.
- Building a strong base for future professional frontend roles.

## Projects

### Professional Floor Design Project

[\[GitHub\]](#)

- Designed a professional floor layout using AutoCAD.
- Focused on technical drawing, spatial arrangement, and presentation quality.
- Built practical experience in digital design work.

### Myntra Clone

[\[GitHub\]](#)

- Developed a Myntra clone using HTML and CSS.
- Practiced webpage structure, styling, and UI recreation.
- Improved frontend design and implementation skills.

## Java Management System

- Upcoming project based on Java.
- Will focus on management logic, data handling, and system workflow.
- Aims to strengthen programming and application development skills.

## Skills & Interests

---

**Programming Languages:** Java, C, HTML, CSS, JavaScript

**Design Tools:** AutoCAD

**Frontend Development:** UI design, responsive layout, webpage cloning

**Other Skills:** Problem solving, teamwork, learning agility, project development

### Interests

- Frontend development
- Software development with Java
- AutoCAD-based design
- Real-world project building

## Campus Involvement

---

### 1.CSE Club, PSTU

- **Member:** Contributing to leadership, event planning, technical activities, and student community development.
- **Programming Bootcamp Coordinator:** Organized and mentored programming bootcamps and contests, promoting hands-on problem-solving among students.

### 2.PSTU Research Society

- **Member:** Participating in research-oriented activities, academic discussions, and knowledge-sharing initiatives that support analytical thinking and academic growth.

### 3.PSTU Traveler Society

- **Member:** Engaging in travel-related events, campus activities, and collaborative programs that encourage exploration, communication, and student engagement.
